QUEEN'S LUMISIGHT EMPLOYEE HEALTH MODULE TIP SHEET

NOTES:	 You will not receive a call from Employee Health If you are still symptomtic follow the detailed instructions provided to you in LuimiSight. If your symptoms worsen or you experience symptoms not previoulsy listed, you should seek immediate medical attention from your PCP or nearest emergecy room. In order to return to work, you must be symptom-free or significantly improving symptoms for 24 hours. Contact Employee Health 1-2 days BEFORE your anticipated retrun to work. 	
Follow the exact same steps to get tested after an exposure buy clicking on the "I have possibly been exposed" button, in the QuickLinks Section.	Health Quicklinks I have possibly been exposed I have COVID-19 symptoms	
Password Resets:	Many users keep themselves logged in on their mobile device and may have forgotten their passwords. It is advisable that users who are unsure of their password, to reset your password while you are still at work since accessing email from home now requires VPN access. Ensuring you know your password now, will improve the user experience with the Employee Health module later.	
To reach the LumiSight Help Desk please email:	LumiSight Support <u>queens-support@lumisight.com</u>
