Aloha!

You may have been hearing about the Hi Got Vaccinated campaign and the promotions that encourage all Hawaii residents 12 years and older to get their COVID-19 vaccine, and the wonderful prizes people are winning for being vaccinated.

Because Queen's is a sponsor of the campaign, our employees and their immediate families are not eligible.

However, Employee Health is sponsoring our very own drawing for all vaccinated Queen's Health Systems employees. Beginning in August, winners will be randomly pulled and will receive \$50 QHS dining cards.

All you have to do is be vaccinated and ensure that Employee Health has your record!

If you have any questions or need to update your COVID Status with Employee Health, contact the Employee Health hotline at 808.691.8720.

Good luck!
